**There's still room
for 90 bricks!**

Remember and honor a veteran you know with a paver brick at the Baraboo Veterans Memorial! While more than 250 bricks were installed at the recent rededication ceremony in June of 2024, there is still room for about 90 more. **Orders can only be taken on this form and must be received no later than May 1, 2025.** Your brick will be meticulously engraved 1/4-inch into the brick surface and filled in with a black epoxy resin to ensure long life. Bricks will be installed at the base of the memorial in the summer of 2025.
